### **DESCRIPTION OF THE ROD OF AN ALMOND TREE IN GOD'S MASTER PLAN**

Jerusalem is shown to be the center of the Garden of Eden, the focal point of God's Master Plan of Redemption. Aaron's rod, a branch from the Tree of Life in the Garden of Eden, is traced to the Crucifixion Tree on the Mount of Olives in Jerusalem. The Word of God confirms the actual site of the crucifixion is on the Mount of Olives; the Greek text proves that the resurrection was on the Biblical Sabbath day (not Sunday) and that the crucifixion was on a Wednesday; and the Hebrew in Pilate's Inscription reveals the Name of God (YHVH). The prophetic pattern of the Garden of Eden shows that Jerusalem, the place God chose to be His dwelling place on Earth, is where He dwelt with Adam and Eve; where the first sin took place; where the Temple was built; where Messiah Yeshua paid for all humanity's sins, in full, once and for all time; where the future Ezekiel's Temple will be built; and where Messiah Yeshua will establish God's Kingdom on Earth during the Messianic Age/Millennial Kingdom.
