

## Overcoming Christianity: How I Found God When I Left the Apostate Church

By John Corrigan

Overcoming Christianity explores the cause of the growing sense of dissatisfaction felt among so many believers. This book examines long-held doctrines as it seeks to uncover the truth of God's Word and argues that believers are vulnerable without an understanding of the Bible's Hebrew context. Historically researched and documented, this book takes the reader back to the source of the problem and what can be done to correct centuries of doctrinal errors found in mainstream Christianity.

This book recounts a believer's struggle to find the truth about what he believes and the surprising answers he found along the way.
