

REV-161 (6/6/10) Turkey and the War of Gog-Magog (Armageddon) #1

“The results of the incident in which Israel intercepted a flotilla trying to break the naval blockade of Gaza” fit the “Biblical description of the beginning of the Gog and Magog process” where the world is against Israel (Israel National News “Rabbis: Flotilla Clash Similar to Gog and Magog Prophecy”, June 3, 2010). Turkey is emerging as a major player in the Middle East, a leader of the Islamic world against Israel. Once an ally of Israel, Turkey is now aligning with Iran and Hamas, who seek to destroy Israel. Overview of the Book of Revelation prophetic timeline: Seals dealing with rise and fall of Rome; Trumpets dealing with the rise of Islam. The fall of Rome is the wound to the 7th Head of the Beast (Roman Christian Empire) that is healed by the rise of Papal Rome as a great political-religious power (the Beast from the Earth). The 8th Head of the Beast relates to the various Islamic empires that have ruled over large portions of what was once the Roman Empire. Soon the Two Witnesses will come on the Jerusalem scene to protest the nations treading on Jerusalem (a period of three and a half years). They will be killed in the exact place where Messiah Yeshua (Jesus) was crucified, on the summit of the Mount of Olives opposite the Temple Mount. After three and a half days, they will resurrect and be caught up into Heaven at the same moment believers on this earth will be caught up into Heaven (in the Rapture). Immediately God’s judgment will fall on earth: the 7 Bowls of Revelation. The invasion of Israel by Islamic nations led by Gog is the same event referred to as Armageddon in the Book of Revelation.

REV-162 (6/6/10) Turkey and the War of Gog-Magog (Armageddon) #2

The Table of Nations from Genesis 10 shows Magog, Meshech, Tubal, Gomer, and Togarmah are located in what is today Turkey. The error of linking “rosh” with Russia. The word “rosh” is the Hebrew word meaning “head” or “leader”, not a proper noun. Therefore, Gog is identified as the leader who emerges out of the land of Magog associated with Meshech and Tubal. There is only one nation today that fits the Biblical prophecy: Turkey. Recep Tayyip Erdogan, the current Prime Minister of Turkey, is emerging as a key player in the Middle East, taking on a primary role in leading the Islamic world against Israel. He is leading Turkey away from being an ally of Israel to being an ally of Iran and Hamas, who seek to destroy Israel. More about this man who seems to fit the prophecies concerning Gog. The invasion of Israel (Ezekiel 38) is about Islamic nations, including Turkey (led by Gog), Iran (Persia), Sudan (Cush/Ethiopia), Libya (Put), etc., not about Russia or European nations. The war of Gog-Magog is Armageddon. Recent news articles relating to Iran’s nuclear deal with Turkey, the Obama administration backing the UN’s resolution for a nuclear-free Middle East that singles out Israel, and Israel stationing nuclear missile subs off Iran.

REV-163 (6/13/10) Turkey and the War of Gog-Magog (Armageddon) #3 Sign from God (Dream re: Millpeh)

Turkey, once the center of the Ottoman Empire, the last great Islamic Empire, gives rise to Gog, Prime Minister Erdogan. Sign from God: dream with the word “millpeh” - found in a German book from 1851 written by Heinrich Ewald, professor of

Biblical studies (title: "Geschichte des Volkes Israel bis Christus", translates into English: "History of the People of Israel to Christ"). On page 448, "Festung Millpeh" (English translation: "Fortress Millpeh"); also reference to Genesis 32:4-33, dealing with Jacob and Esau/Edom. Link to Obadiah's prophecy regarding Edom's ultimate destruction by the house of Jacob (Israel) and the house of Joseph (Ephraim: Britain, Canada, Australia, New Zealand; Manasseh: USA). Obadiah's prophecy is about the Gog-Magog invasion of Israel described in Ezekiel 38, referred to as the battle of Har Magedon (Armageddon) in Revelation 16:16.

REV-164 (6/20/10) Turkey and the War of Gog-Magog (Armageddon) #4 Sign from God (Dream re: Millpeh) #2 Mizpeh Significance of July 8, 1999 dream in regard the July 1999 Iran Student Protests resulting in greater power of the Council of Guardians and prohibition of any resistance to the Islamist government. Key piece of information showing that "millpeh" refers to "mizpeh" ("mizpah" or "mispah"). Significance of Mizpeh in regard to ancient battles of Israel against Canaanite and Philistine enemies; parallel with future invasion of Israel by Gog-Magog/Armageddon.

REV-165 (6/27/10) Turkey and the War of Gog-Magog (Armageddon) #5: Mizpeh; Highway 443; Magog/Scythia; Islamic Caliphate and Turkey

Highway 443 between Tel Aviv and Jerusalem reopened but not secure from terrorist attacks. Mizpeh's/Nebi Samwil's strategic location on Highway 443 three miles north of Jerusalem. Magog identified by Josephus as the ancient land of the Scythians, today Turkey, northern Syria, northern Iran, and the Islamic Turkic nations of Central Asia but not Russia. Turkish flag flown over the Temple Mount, following the Turkish flotilla clash with Israel. The goal of Islamic terrorists: extension of Islamic territory across the world and the establishment of a worldwide Caliphate, Islamic rule of the world under Sharia (Islamic law). Upcoming 2010 Khilafah Conference USA in Chicago, July 11th - global campaign for Khilafah, the Islamic Caliphate system; the fall of capitalism and the rise of Islam to rule the world.
