The Amazing Phenomenon of Jesus' Appearing to Muslims in Dreams & Visions

For decades, a phenomenon has been recurring in the Muslim world. Men and women – without any knowledge of the Gospel and without any contact with Christians – have been forever transformed after experiencing dreams and visions of Jesus Christ. Reports of these supernatural occurrences often come from “closed countries” where preaching the Gospel is forbidden and where converting to Christianity can invoke the death sentence. A common denominator appears to be that the dreams and visions come to those who are seeking to know and please God.

“More Than Dreams” presents five true-life stories about former Muslims who now know Jesus (Yeshua) as their Savior. The stories are presented in docu-drama format including the eye-witness testimonies:

Khalil – A radical Egyptian terrorist was given the assignment to disprove the Bible but found that it was the true Word of God. Having hated both Christians and Jews, he was totally transformed by an encounter with the real Messiah in a dream. (28:51 minutes)

Mohammed – This Fulani herdsman in Nigeria found the deep love and lordship of Jesus Christ through a series of remarkable dreams that altered the course of his life. Though his father tried to kill him because of his conversion, he survived to eventually lead his father to faith in Christ (45:50 minutes)

Ali – A Turkish man in bondage to alcohol but with a real love for God and desire to serve Him. When he made pilgrimage to Mecca and prayed for God to reveal Himself to him, Jesus appeared and changed his life forever. (40:04 minutes)

Khosrow – A young Iranian suffering from depression and without hope began reading the New Testament and encountered Jesus in a vision. He became a pastor and fled Iran. During his escape with his family, his son was miraculously saved after falling into a fast-flowing stream. (29:30 minutes)

Dini – An Indonesian teenager traumatized by family events, Dini saw Jesus in a vision after saying a prayer from the heart. This experience healed her wounds and changed her life. (42:17 minutes)
