

BOOK OF REVELATION -- FREE ONLINE DVD/CD -- TWO HOURS OF THE MOST
POWERFUL REVELATION CONCERNING THE TWO WITNESSES

Peter Michas began a very powerful and exciting new study on the Book of Revelation in November 2007. This study is extremely in-depth and is expected to continue for the next several months. (See below for information on how to receive this series.)

We (Peter and Christie Michas) believe the Lord has guided us to provide two hours of free online DVD/CD teaching from this study because the information is so vital.

Go to the upper right-hand section of Messengers of Messiah's web site (www.messengers-of-messiah.org), where you will see two photos of the Temple Mount and the Mount of Olives. To access the two-hour teaching, click on the titles of this two-part teaching:

HOW TO RECEIVE MORE OF THIS EXCITING TEACHING:

This ongoing, in-depth Book of Revelation Study is only available at this time by DVD or CD Subscription. For those of you who listen to the free teaching and are interested in subscribing, please contact Christie Michas at christiem@messengers-of-messiah.org -- Don't wait, time is short, don't miss out on correctly understanding the prophecies of Revelation. The series is taught from a historical view, understanding how the Seven Seals and Trumpets One through Six have already been fulfilled in history. The next prophetic event to take place is the coming of the Two Witnesses of Revelation 11, who will witness and prophesy for three and one-half years. After their death and resurrection, the 7th Trumpet sounds, unleashing the 7 Judgment Bowls/Vials.
