REVIEWS OF *PHILISTINE: THE GREAT DECEPTION*

"I thank you for promoting this book. I worked for Mr. Bennett when in Israel, and I can testify to the goodness of his character and knowledge of the subject. He is respected by his Jewish Israeli neighbors as well. I thoroughly liked the book. He documents everything he writes and it is a valuable addition to any library. I think it is one of the best books on the subject." - Cathy

"Thank you so much for recommending Ramon Bennett's books. I have personally translated two of his books into Norwegian, and have known Ramon for five years. Ramon is a stickler for accuracy, and has a highly competent and analytical mind, bordering on the prophetic. More than a half year before Rabin was murdered, he wrote about it in Philistine. In the first edition, you'll find it at page 74." - Lars-Toralf Storstrand
