

## *The Real Birth Date of Messiah Yeshua (Christ Jesus)*

### *The Scriptural Birth Date of Messiah Yeshua*

by Peter A. Michas (60-page book)

The actual birth date of Yeshua (Jesus) is revealed. The key is the precise schedule of priestly rotation in the Temple. From John's conception and birth date, the conception and birth date of Yeshua can be calculated and verified by Scripture. The significance of these dates is revealed in accordance with the prophetic timetable of the Biblical Feast Days: Hanukkah conception, Rosh HaShanah birth, Yom Kippur Temple dedication, and Sukkot shepherds' visitation. Also includes corrected Scriptural birth narrative sequence, the perfection of Yeshua's birth cycle, and the actual length of Yeshua's ministry (eighteen months)

Reveals the spectacular astronomical events occurring during the period of Yeshua's (Jesus') actual birth date on Rosh HaShanah, 3 BC. Shows how Revelation 12:1-5 pinpoints the exact date of His birth based upon astronomical calculation. Shows the particular lunar eclipse mentioned by Josephus in relation to Herod's death occurred in 1 BC, not 4 BC. Discusses in great detail relevant historical, archaeological, astronomical and Biblical facts supporting the actual birth date.
